A Global Workforce

A free service for your diversity
recruitment **strategy**

- ✓ Employees who are skilled and with the qualifications for your industry
- ✓ Employee qualifications that are pre-assessed to meet Australian requirements
- ✓ Employees with the Right to Work in Australia
 - ✓ Employees who can help you grow your business

WHAT IS A GLOBAL WORKFORCE?

A Global Workforce is an innovative new pilot assisting businesses to recruit a diverse workforce. Australia is a multicultural society and businesses are continuing to grow networks internationally. Having employees from culturally and linguistically diverse (CALD) backgrounds gives you the advantage with your trading partners. A Global Workforce can help you recruit employees from different cultural backgrounds who already have the skills and experience you need as well as the rights to work in Australia.

WITH THE RIGHT EMPLOYEES FROM CALD BACKGROUNDS; THEY CAN HELP YOU TO:

- understand Australia's multicultural consumers,
- provide better customer service using their bilingual skills,
- provide access to new market segments and networks and;
- expand your customer base to overseas markets.
