

# Settle In

## Drive Safe in WA

### Workshop Details:

This workshop is designed to provide eligible participants with an overview of drive safe practices, essential road rules, obtaining a driver's license, purchasing a safe vehicle and more.

Participants may be offered the opportunity to meet with qualified driving instructors and receive information about financial supports to support them to meet their goal.

### Settle In Program:

Settle In assists newly arrived refugees and humanitarian entrants to navigate life in Australia. The program supports individuals, families, children and young people within their first five years of arrival in Australia.

For information about eligible visas, please call on the details below.
