

Let's Talk Toilet Training

Connected Families

For parents and carers of children 18m-4 years

1 session program

Join us to discover when and how to start toilet training your toddler. Gain practical tips and build confidence for this exciting milestone!

What participants can learn:

- Signs your child is ready
- Essential skills and strategies
- Tips for a smooth process

Come and learn how best to approach this process and what skills are needed from you and your child.
